

# Program Partners

**BOYS & GIRLS CLUBS**  
OF WESTERN PENNSYLVANIA

## Why Program Partners:

We are pleased to present you with specific opportunities to join us as a “Program Partner” and achieve first hand the value and impact of your gift. Program Partner support is used to supplement and complement specific programs and activities at the Club. Your generosity will help our staff maintain high quality services and reach out to young people with the greatest needs. A gift to the Boys & Girls Club is an investment that translates into wonderful opportunities for the children of the community. To continue our tradition of making the childhood years special for every young person who walks through our doors, we need the financial assistance of local businesses.

## How to Apply

To become a program partner please contact the Boys & Girls Clubs of Western Pennsylvania at (412) 782-5710 or email [bgcwpa@cs.com](mailto:bgcwpa@cs.com) - subject line “Program Partners.” You can designate where your donation will go and what you would like it to be used for.

## What Your Donation Can Do

We have had the privilege of serving the young people in Western Pennsylvania for over 125 years. We are asking for an unprecedented amount of support from the community in order to ensure that our services are not only sustained but expanded. There are still thousands of more youth in our local communities who need our services during the after school and summer hours. Childhood obesity is rising, and so is the great need for extra academic support for youth to advance to the next grade level and beyond. We need to reach more kids and serve each one at a high level. It is with much community support that we have been able to extend our services to over 1 million young people over the past 125+ years and we not only are asking for your support as a Program Partner and as a respected member of our community, but we are asking that you help us spread the word to your friends and family.
