After School Program Activities - Education Center and Computers - Homework assistance, tutoring, tech support, supervision.

Each day, kids come to our Clubs looking for assistance and attention. Volunteers are often needed to give each student the attention they deserve. Adult tutors are also needed to meet with youth to help build their skills in a particular area. *Billiards, foosball, video games, board games, basketball, soccer, other active games.* Adults are often needed to teach sportsmanship and skills to youth in our games rooms and gymnasiums. Having additional adults in the games room means that our members are surrounded with positive role models. One-on-one interaction between youth and adults is an essential building block for healthy development of youth.

Afterschool program hours are Monday-Friday from 2:30pm-6:30pm

To volunteer call the Club at (412) 681-8575 or email shadyside@bgcwpa.org
