

About the Program

Throughout the Summer Day Camp Program, our staff have one goal in mind, to provide our young day campers with exciting activities in a safe and caring environment.

Each week of Day Camp, children are given the opportunity to participate in sports programs, indoor and outdoor games, computer learning labs, NFL Play 60 fitness program, game room activities, arts and crafts and a exciting menu of special events throughout the week. An age appropriate rotational system is used to expose children to all activities.

What to Bring and What Not to Bring

We encourage children to dress comfortably every day by wearing t-shirts, shorts and tennis shoes. We also recommend sun screen for outdoor activities.

The Boys & Girls Club is not responsible for lost or stolen personal items and we encourage youth not to bring personal items such as cell phones, electronic equipment (games, music players, etc.) and personal sports equipment.

Weekly Field Trip

Part of the Summer Camp experience will be a visit to North Park every Friday (weather permitting). Planned activities include: games, arts and crafts, and an afternoon swim at North Park Pool. Transportation and activity fees are included in your weekly camp fee. Please make sure that your child is dressed appropriately for the weather and brings everything they need for the day including: every day swimwear, a towel, personal sunscreen, tennis shoes (preferred for all activities) a backpack and spending money for the snack shop (optional). Campers must bring a brown bag lunch.
